CLOSER

London. The late 1990's.

When Dan meets Alice, he thinks he's found the love of his life.

But things quickly unravel when he meets Anna, and her life gets even more complicated when she meets Larry. Soon the characters are on an emotional merry-go-round where they learn about love, desire, and all the treachery in between.

This is a dark, powerful and funny play.

A modern classic, it was recently made into a hit film starring Julia Roberts and Jude Law.

Contains adult themes and strong language
