one flew over the cuckoo's nest

A play by Dale Wasserman, based on the novel by Ken Kesey

Medication! Medication!

Randle P McMurphy thinks a stay in a State Mental Institution is easier than a short stint in a local prison. He quickly establishes himself as the leader of the patients' council, clashes with the head nurse, challenges and changes the rules and experiences electric shock treatment for those who do.

He begins to do what no professional has: change the lives of those who have lived on the ward.

But all things come at a high cost, the greatest of all to McMurphy.

One flew East,
One flew West,
One flew over the Cuckoo's Nest
